Who, after being by me duly sworn, on oath deposes and says: I have known fact Fally for about 12 years. I believe his true ness is Jack Rubinsky. I started to west for Jack in October of 1961 as a dramer in the Coronal Club. I last sev Just about 2:00 Mt, Friday morning. About 5:00 PH Friday I talked to Jack by phone and he told me that the also would be aloned Friday might. I comed him when he would be open again and he said it may be so late as Manday. I told him what a terrible tragic thing that had happened to the President. He said that this was the most herrible thing that had ever her and and become overing. Just said the mon must have been a nut or a lease and said "Now could any man do such a thing." Then he hang up. I was amused at how hard be was taking the death of the Provident and I told my girl friend, Joan McCline, that I couldn't understand Jack being so term up about it, I toled to call Just again Saturday, but didn't goton ensury. I Houm't to that to kin or new him since. Today about 11:30 M I was home in bed asleep and the phone rong and woke me up. My father R.L. Willis was in the most room. I got up and answered the phone and it was my girl friend Jean McClure at 6803 herdenum, Fig 7312. She told me that the had heard on the news that Jeck Ruby had stot and killed this man Oswald. I tried to get in tough with IA Gilmore as he knew I worked for Jock and night went to get in touch with me. He wasmit in so I talked to IA Cornwall. He took my phone number so I told him I would just come on down. I drove my 1956 Pointies to the police station. I same alama.
